

NIGERIA BUSINESS VISA ACKNOWLEDGEMENT FORM

I confirm that I understand that the decision of whether to grant my visa application is at the discretion of the Nigeria High Commission, and that despite the required fees being paid in full my visa application could be rejected and that in this case no fees will be refunded by the Nigeria High Commission.

I am also aware that in some cases the Nigeria High Commission might request the application type to be changed from Business to Temporary Work Permit. I acknowledge that in this case also no fees will be refunded, and I will remain liable for the full amount of Scott's Visas fees, including payments already made on my behalf for my Business application. I further understand that in this case I will have the following options:

1. **Appeal**

This involves submitting an appeal letter addressed to the Nigeria High Commission, London, requesting that they review their decision. An answer from the High Commission is usually available within 48 hours after Scott's Visas have submitted the letter to the Nigeria visa centre.

2. **Withdraw My Application**

This involves providing a letter addressed to the Nigeria High Commission, London, requesting the return of my passport. If this letter is received at the Scott's Visas' Whitfield St office by 9.30am my passport will be available for collection there between 5:00pm and 6:00pm the same day.

3. **Make an Additional Application for a Temporary Work Permit**

This involves leaving my passport with the Nigeria High Commission while making and paying for an additional application for a Temporary Work Permit, including the required cablegram. I will not, however, have to pay all of the fees due for the Temporary Work Permit, and Scott's Visas will advise me as to the reduction in my case.

I understand that Scott's Visas will provide me with further information about these three options on request.
